**Guest Speaker: Stephen Turchyn, Winter Dead Tree Removal Project:**

At this point, there are 15-16 trees on 4 properties which are included in this project. Sixteen households have contacted Stephen with questions. Tree-o seems to be the company most favor. Someone wondered if the price was “winter” or “summer” price as winter pricing tends to be less. Someone also mentioned that their church had found Mid-West cheaper than Tree-o when removing multiple trees. Stephen will continue to investigate.

Betsy Ingle suggested we consider replacements of trees being removed. Our State Representative, Christina Hale was present and said she could obtain free replacements. It was also mentioned “Keep Indianapolis Beautiful Inc.” as a source.

**Old Business:**

Brand new sidewalks have been installed on Olney from Kessler Blvd to 62<sup>nd</sup> Street, and a one block section on Chester south of 62<sup>nd</sup> St. Thanks to Councilor Christine Scales, we are pleased to have this project completed.

**New Business:**

Christina Hale, our State Representative, gave an overview of coming short legislative session. The main topics will be infrastructure including streets and highways, illegal drug problems, RFRA.

Geraldo Bacerra, IMPD Crime Watch, gave a short presentation on crime in the area for the past few months. Most seems centered on the retail area at 62<sup>nd</sup> & Allisonville. He felt there were no pressing problems.

Winner of \$10 Marsh Gift Card drawing was Stephen Turchyn
