### Mayor's Neighborhood Liaison:

Gary Loveless said there would be no new neighborhood projects started for the remainder of the year.

Sidewalks are being completed on North Olney from Kessler Boulevard East Drive to 62<sup>nd</sup> Street (2 blocks) and North Chester Avenue from 61<sup>st</sup> to 62<sup>nd</sup> Street (1 block) at this time. Thanks to Councillor Christine Scales and Rebuild Indy funds!

### Guest Speaker: Kevin Haughey, Fibertech Corporation – WiFi Poles

Mr. Haughey gave an overview of the work they are performing in our neighborhood. As of this time, they are through with all installation. The new fiber infrastructure they have erected will enhance the speed and reliability of our mobile broadband.

With so many new digital devices, the old cell towers are being overwhelmed. These new exchanges will help with that problem.

An interesting fact: Indiana has been #1 in fiber growth in the US for the past 5 years.

**New Business:**

Crime Watch Presentation: Terry Dobson was unable to attend the meeting.

Winter Tree Removal: A resident of FSNA, Stephen Turchyn, is organizing neighbors to join with him (and 6 other neighbors) to get bids for removal of dead trees (most of which are ash trees). He will solicit bids from various tree services in the hopes of negotiating lower prices because of group and also winter.

Stephen will be the guest speaker for this project at our November 18 quarterly meeting.

\$10 Marsh Gift Card: Winner was Gayle Stahl.

**Adjourn:** Joe adjourned the meeting at 7:55 PM
