Let's Give F-SNA a Spring Face-Lift!!!!!!!!!!!!!!

Crime Watch Update

Summer is just around the corner and this means increased outside activity. Please be aware of any suspicious vehicles or persons in your area. Notify your neighbors or block captain of contracting work you might be having done so we can all work together to ensure a safe neighborhood.

Also, please remember that we have been told by IMPD that by having our "No Soliciting" signs displayed we, as an F-SNA resident, can report any suspicious activity to IMPD. IMPD then has the authority to stop this person and ask for identification, question their presence in the neighborhood, and request they leave the area.

We hope this will prevent undesirable persons from soliciting, casing and vandalizing in the neighborhood. Please use good judgment before placing the call to IMPD, but be pro-active. We can all work to keep our neighbors and neighborhood safe!

FSNA Neighborhood Directory!!!

Our new **Neighborhood Directory** is well on its way! The information provided is, currently, being sorted and formatted to send to the printer. If you have not provided your information for the directory, please contact your block captain or e-mail your information. This directory will be produced and distributed only within our neighborhood.

We will also be providing advertising opportunities for companies, services, etc. If interested, please e-mail for additional information!
